

POINT SCORE FOR 2024 CHAMPIONSHIP

TROPHY & MASTERS SERIES

The procedure for Series X3 Qld Inc point score for club Trophy and Masters for circuit racing will be as follows:

The Championship(s) will be conducted over the 5 rounds, as determined by the Committee.

Place-getters will be awarded points in each race as per the table below (same points awarded in both Trophy and Masters series'). So new this year, each series (Trophy and Masters) will run a separate race within the race (ie the winner of the Trophy series race gets 100 points, and the Winner of the Masters gets 100 points). For example, the winner in the Masters may finish 9th in the race but as the Masters winner they get 100 points.

To be eligible for the Series X3 Qld Inc Championship, competitors must be current financial members of Series X3 Qld Inc at the time of each race and include all sponsors stickers on cars for all races through the season. Failure to have sponsors stickers on your car will result in zero points for that race.

DNF, DSQ and DNS will all receive zero (0) points.

Should there be a tie of any positions after the championship year has concluded, a clear winner of that position shall be determined by a count-back of the number of round wins over the season and if required, the number of race wins over the season and if further required, the number of second places over the season, to determine the winner.

We will run 1 championship, over 2 classes, with differing race formats, start 1 January 2024:

1. **Trophy Class** – results based on the tally of place based points during each round of the championship.
2. **Master Class** – being all drivers over 35 years of age – who elect to not run in the Trophy Class.

Note, to be eligible for the Masters Class, it will be taken as your age as at the 1st of January 2024.

Trophies will be awarded at each meeting for series points for each class.

Then based on points acquired, the tally for the series will decide the championship winners at the end of the year.
